

Chapter I

Parlour Tales ' & Classics

Welcome to our Victorian Parlour, home to an ever changing selection of over 50 gins!

The following cocktails have been inspired by a fusion of literature & our Juniper obsession, with a few other spirits thrown in for the heathens.

Disclaimer:

After experimenting with the following concoctions we have become aware that “after a few” one may gain a satisfactory feeling of Gin-vincability, this may have an adverse affect on ones composition, we assure you that this is perfectly natural...

Yet more Gin, Beer & Wine

Gin Flight

Every month we bring you a seasonal selection of three different Gins, all served with a complimentary tonic.

Masons Dry

Soft juniper, lime and orange rind flavours lead to a peppery finish with a subtle fennel fragrance on the nose, whilst on the palate there's a ripe & sweet aniseed start, with bold citrus flavours, plenty of cardamom & green apple blending into a warm, mouth-watering finish.

Masons Lavender

Dry lavender notes on the nose and a slight fennel aroma create a soft & subtle experience. There's a soft texture once upon the palate, with a fresh candied lavender sweet flavour and anise creeping in on the dry finish.

Masons Yorkshire Tea

Delicate and fresh upon the palate, with a citrus sharpness hitting the senses and fresh aromas that swirl around. Plenty of Yorkshire Tea flavour develops on the palate, as well as fresh aniseed, cardamom & pepper notes before the tea returns for the long finish.
